Thought for the week – 'Smile, and the world smiles with you!'

News Headlines!

- *Firstly, we are delighted to say that our new catering providers have been a roaring success. The response from both children and staff has been overwhelmingly positive, with many pupils eagerly looking forward to lunchtime each day. The meals are proving to be both delicious and nourishing, and it has been heart-warming to see children enjoying a wide variety of foods and talking enthusiastically about their favourites. Staff have also commented on the quality and choice available, making lunchtime a highlight of the day for everyone. We are thrilled that this change is already making such a positive difference to the daily life of our school.*
- *We are also excited to share that our much-loved Secret Garden is currently undergoing a revamp. Over the coming weeks, we are busy clearing, refreshing and redesigning the space so it can become a usable and inspiring outdoor learning environment for our children. Our vision is to create a calm, welcoming area where pupils can explore, learn and connect with nature in meaningful ways. This project will take a little time, but we know it will be well worth the wait.*
- *We cannot wait to show off the transformed Secret Garden once it is complete and to see it being enjoyed by our children as a special place to learn and grow.*
- *Our **stars of the week** this week have all been chosen for demonstrating the strength of **respect** this week.*
