HEADLINE NEWS

News Headlines!

- We have had another busy and exciting time in school, with lots of wonderful learning taking place across all year groups.
- Year 4 enjoyed a fantastic Viking and Saxon workshop delivered by "Humph's Histories". The children were fully immersed from the moment the day began, learning all about life in Viking and Saxon times through hands-on activities, storytelling and drama. They explored artefacts, discovered what daily life might have been like and asked some brilliant questions. It was lovely to see their enthusiasm and curiosity brought to life, and the workshop really helped deepen their understanding of this important period of history. A big thank you to Humph's Histories for delivering such an engaging and memorable experience.
- Meanwhile, our Year 6 children are preparing for an important milestone, as they will be completing their SATs tests next week. They have worked incredibly hard throughout the year, showing determination, resilience and a positive attitude to their learning. We are extremely proud of their commitment and the effort they have put into their revision and preparation.
- As a school community, we would like to wish all of our Year 6 pupils the very best of luck. We know they will do their very best, and that is all we ever ask of them. We are confident that they will approach the week with calmness and confidence, supported by our staff and their families.
- Well done to everyone for another great week of learning! Our **stars of the week** this week have all been chosen for the **strength of patience** this week.
