Thought for the week – 'You can, you should, and if you're brave enough to start, you will!'

News Headlines!

- We would like to say a huge well done to our Year 4 children, who have completed their Multiplication Tables Check this week. They have worked incredibly hard in the lead-up, showing determination and commitment, and we are very proud of their efforts and positive attitude.
- Next week, our Year 1 children will be taking part in the Phonics Screening Check. This is an important milestone, and we know they will do their very best. Thank you to all families for your continued support with reading at home—it really does make a difference.
- A gentle reminder to all parents and carers about end-of-day collection. Recently, we have had a couple of instances where children have left the school site but then moved away from their parents or carers. Please can we ask everyone to remain vigilant and ensure children stay close by once they have been collected, so we can keep everyone safe.
- We are also pleased to be welcoming the school nurses next week. They will be working with different year groups across the week, delivering a range of informative and engaging workshops that support our pupils' health and wellbeing.
- Finally, there will be a parent drop-in session with the school nursing team on Monday 8th June from 9:00–9:30am. This is a great opportunity to ask questions and find out more about the support available.
- Our **stars of the week** this week have all been chosen for their Maths work this week.
