Thought for the week – 'Don't count the days, make the days count!'

HEADLINE NEWS

News Headlines!

- *Our Year 2 children recently enjoyed a wonderful day out at Barry Island, making special memories together by the seaside. Although the weather was a little dull and the breeze kept us on our toes, it certainly didn't dampen anyone's spirits! The children made the most of their time on the beach, enthusiastically digging in the sand and creating an impressive array of sandcastles. There was plenty of laughter and excitement as they explored the shoreline, and many bravely dipped their toes in the sea for a refreshing paddle. It was a lovely opportunity for the children to play, explore and learn together outside the classroom, and their smiles said it all.*
- *Meanwhile, our Year 4 pupils set off on their own adventure with a visit to Tamworth Castle. Stepping back in time, the children had the chance to explore the castle's fascinating rooms and learn more about its rich history. They listened carefully to stories of life in the past and enjoyed discovering what it might have been like to live within the castle walls.*
- *Both trips were thoroughly enjoyed by all and provided valuable experiences that the children will remember for a long time.*
- *Well done to our year 1 children for taking part in the phonics screening check this week!*
- *There are changes to free school meal eligibility from September 2026. Here is the link to find out more or scan the QR code in community news.*
