Thought for the week – 'Think and wonder, wonder and think!' Dr Seuss

News Headlines!

- *It has been another busy and exciting week in school, with lots of wonderful opportunities for our children to learn, explore and celebrate their achievements.*
- *Our Nursery children had a fabulous trip to Hatton Country World and Farm. They thoroughly enjoyed meeting and feeding the animals, exploring the different attractions and taking part in a range of exciting activities. The trip was filled with smiles, laughter and plenty of memorable moments, and the children represented the school beautifully throughout the day.*
- *Reception also enjoyed a fantastic day out at Dudley Zoo. The children were fascinated by the wide variety of animals they encountered and loved learning more about their habitats and behaviours. It was a fun-filled day that brought their learning to life and created many special memories.*
- *Meanwhile, our Year 6 pupils have been taking important steps towards the next stage of their education. They have enjoyed successful visits to their new secondary schools, meeting staff, exploring their new environments and beginning to make new friendships. We are incredibly proud of the confidence and maturity they have shown and know they will continue to thrive as they move on to this exciting new chapter.*
- *Back in school, the rest of our pupils have been working extremely hard. We were also delighted to hold our Key Stage 1 Sports Day this week. The children demonstrated fantastic teamwork, determination and sportsmanship.*
- *Our **stars of the week** this week have all been chosen for their **confidence** this week.*

Helping at home this week!

Thinking about the summer holidays fast approaching, why not make a list of summer activities to try for free. What if everyone in the house put one thing on the list.
