Thought for the week – keep on running!

News Headlines!

- *There has been a real buzz of excitement around school this week as our children set their sights on something truly extraordinary – a world record attempt!*
- *Our loom band challenge is well underway, and thanks to the enthusiasm, creativity and determination of our pupils, our loom band bracelet has already reached an impressive 17 metres in length. While we still have some way to go to beat the current world record of 337.12 metres, we are making fantastic progress and having great fun along the way. It has been wonderful to see children working together, showing perseverance and taking pride in contributing to this exciting whole-school project. We will continue adding to our growing bracelet over the coming weeks, so watch this space for further updates. Who knows what we can achieve when we work together!*
- *We would also like to thank all the families who attended our Nursery and Reception Stay and Play sessions this week. It was lovely to welcome so many parents and carers into school to share in the children's learning experiences. These sessions provide a wonderful opportunity for children to learn, play and explore alongside the people who matter most to them.*
- *At Cape Primary School, we truly value the support, encouragement and engagement of our families.*

Attendance

Our school target is 96.9%. We must make sure children come to school every day and are on time. Our top attendance this week is...
