Thought for the week – one good turn deserves another!

News Headlines!

- This week has been filled with exciting experiences and opportunities for our children to learn beyond the classroom. Some of our children enjoyed a fantastic residential visit to Edmond Hall, where they took part in a range of outdoor adventurous activities. From tackling challenging tasks to working together to solve problems, the children demonstrated incredible determination, resilience and teamwork throughout their stay. It was wonderful to see them stepping outside their comfort zones, developing greater independence and supporting one another to overcome challenges.*
- Meanwhile, our Year 1 children were delighted to welcome the Animal Man to school for a fascinating and engaging learning experience. The children had the chance to meet an amazing variety of animals, including a giant hissing cockroach, a royal python, a horned frog, a kinkajou, a scops owl, a tenrec and a leopard gecko. They listened carefully, asked thoughtful questions and learned lots of interesting facts about these wonderful creatures*
- Finally, a huge thank you to everyone who wore red today and generously donated items to support our local foodbank as part of our Stand Up to Racism campaign. Your kindness and generosity reflect the inclusive values we promote as a school community. Thank you for your ongoing support.*

Diary Dates

20/10/26 Y6 County lines workshop
20/10/26 film night
21/10/26 Flu vaccination day
