Thought for the day - Happy New Year!

News Headlines!

- *Happy New Year and welcome back to 2025 at Cape Primary School. It's been a cold week this week but at least it has been bright and sunny which is lovely. Please make sure all children are wrapped up warm and that names are written in all items of clothing!*
- *We hope that everyone has had a peaceful and blessed Christmas break.*
- *Exciting News, Coming Soon! We will soon be launching a brand-new look school website which we are really excited about. We will update the current school website sparingly over the next couple of weeks whilst the transfer takes place.*
- *This week we have had some super workshops in school about water efficiency and where our water comes from. The children have found out about how they can save water at home and at school, why not ask them about what they have found out!*
