Thought for the day – Nothing is impossible!

News Headlines!

- It was lovely to see so many children wearing all different colours in school today in recognition of children's mental health week. Thank you so much for the kind donations that will be used to support children's mental well-being.
- Year 3 and year 4 have had a wonderful workshop today using VR to support their learning. Make sure you speak to someone in LKS2 to find out more!
- Don't forget it's learning together day next week. It's really important that parents come along to find out how well your child is doing! Appointments will be going out on Monday.
- We seem to have some budding writers in 5B. It has been lovely to read so many more stories this week from the children. We will soon have to make a shelf in the school library for authors from Cape!
