Thought for the week – "Education is the most powerful weapon which you can use to change the world." — Nelson Mandela

News Headlines

- We are fast approaching the end of the academic year but things are certainly not slowing down! This week our year 1 children went on a visit to Essington Farm where they tried their hand at a strawberry picking. They all came back with their own punnet of delicious, juicy strawberries.
- Year 2 ventured a little further afield with a trip to the seaside. The children thoroughly enjoyed their visit to Barry Island, building sandcastles, paddling in the sea and chasing away the pesky seagulls who tried to steal their lunch! Some very tired children (and staff) all got home after having the "best day ever"!
- Most of our Year 6 children have been to visit their secondary schools this week which meant there was time in school for the rest of our children to go and meet their new teachers for next year and find their new classes.
- The Safety Seymour roadshow came to visit year 2 and 3 this week to tell the children all about the dangers of Carbon Monoxide. All of the children received a free monitor to take home!
