Thought for the week – We can all achieve, if we believe!

News Headlines

- This week has been all about sports days! Despite it being the hottest days of the year so far the children have all enjoyed taking part in a variety of sporting events. As it is the Olympics this year each class became a different country. They spent time finding out about the country they represented and then took part in sports day representing their country. A HUGE thank you to Mrs Cleal for organising the event. It took lots of planning but a great day was had by all!
- Just a reminder that it has been the hottest days of the year so far this week. Please make sure your child has plenty of sun cream applied in the morning before coming to school. We are not allowed to apply sun cream in school so it's really important it is done beforehand.
- It was lovely to meet some of our new families that will be joining us at Cape in September. Mrs Squires hosted a stay and play session for the new reception children and their parents. We had two lovely sessions finding out about our new family members.
- Look out for the Book Bus arriving in school next Friday!
