## News Headlines

- Another busy week at Cape this week! Miss Cridge and Miss Collins took a group of children to Birmingham Central Library as part of our Reading for Pleasure work. The children had a fabulous time exploring the library and being amazed by how many books there are!
- Mrs Cleal has also been out and about too! She took a group of children to WBA to take part in the Smethwick Cluster of Schools Olympic event. The children had a wonderful time trying lots of new sports, working as team and competing against each other. The children represented our school really well against all of the other local schools competing.
- Thank you so much to everyone who has donated food to the Foodbank. The children in year 3 have been reading a text about a family that need to use the Foodbank and as part of their work they decided to do a Foodbank collection in school. They have also decorated a trolley that will be situated in school so that anyone who is able to donate on a more regular basis can.
