Thought for the week – Do what you love and love what you do!

## News Headlines

- We start this week with some lovely good news about our year 2 children. Mrs Cleal came back from swimming yesterday and said that one of the swimming instructors had said how the children at Cape are the best children that he works with. He also said they make the most progress with their swimming. This is great news and once again shows what fabulous children we have at Cape.
- Our Year 1 and some Year 2 children have been working really hard with the phonics screening test this week. Well done to all of the children that tried their best. Our Year 4 children have also been trying their best this week with the Y4 Multiplication Check test. They have done the official check this week, well done Year 4!
- Our Year 5 children have been doing some extra P.E this week with the Hoop Guy learning how to use a hula hoop and some tricks for hula hooping!
