Thought for the week – You will never regret being kind!

News Headlines

- We start this week with some lovely good news about our year 5 children. The year group have had some workshops this week about the Ancient Greeks. The workshops were delivered by an external provider who said at the end of the three days what a fantastic group of children we have. We of course know how fantastic all of our children are, but it is so nice when visitors say the same thing. Why not ask one of the year 5 children what they have learnt.
- Some of our children have represented our school at a conference this week. Mrs Loveridge took 4 children from school to West Bromwich Albion to take part in a conference all about health and well-being. The children shared a fantastic presentation about the importance of drinking healthy drinks like water and not fizzy pop or sports drinks. The children represented the school amazingly well!
- Year 4 have also been out and about this week with a trip to Bishops Wood as part of their learning about the Stone Age. The children had a fantastic day out and managed to avoid most of the rain showers. Why not ask someone in year 4 what they have learnt from their visit!

Attendance

Our school target is 96.9%. We must make sure children come to school every day and are on time. Our top attendance this week is...
