News Headlines

- We need to start our newsletter this week by saying well done to all of our fabulous year 6 children who have been fabulous with their SATs this week. We started the week with a few nerves and trepidation but they have really worked hard and tried their best. Next week our Year 2 children are going to have a go at some year 2 tests so we wish them the very best of luck next week!*
- You can see from the attendance figures this week that we have smashed attendance, I think this is the best week yet this year. Well done everyone, let's keep it up and make sure we do the same again next week.*
- Next week is our summer disco, there may be one or two tickets left if you are quick. Remember it is ticket only so if you haven't bought a ticket using ParentPay then unfortunately your child will not be able to attend.*

Helping at home this week!

Did anyone see the northern lights last Friday night? Miss Baker was so disappointed she missed them so went out in her garden on Saturday to look. What different sounds can you hear in your garden at night?

Please make sure we have the correct contact details for your child.
