Thought for the day – We are one community, help us respect it!

News Headlines!

- *Parking around school – we like to celebrate good news every week in our newsletter. However, this week we would like to remind parents about the importance of considering local residents when parking at the start and end of the day. We have had some complaints about driveways being blocked which has led to residents being late for work or missing appointments. As we say in our school prayer 'We are one community, help us respect it'.*
- *On to good news, it is so lovely to see so many children attending our after-school clubs. Thursday afternoons are popular for clubs across the school even down in Reception where the children have a reading club.*
- *Year 1 held a Maths workshop for parents this week. It was fantastically attended by parents. Children and parents enjoyed playing maths games together and all children went home with a maths game to play at home.*

Attendance

Our school target is 96.9%. We must make sure children come to school every day and are on time. Our top attendance this week is...
