Thought for the week – When it is dark look for the stars!

News Headlines

- Thank you to all of the Y6 parents who attended the meeting this week, it was good to see so many parents finding out about the tests and what is involved.
- Mrs Squires has set up a TT Rockstars competition in school to try and support children in using TT Rockstars regularly to support their fluency with multiplication tables. Whilst the children may be practising in school some time at home to practice will also help too. The challenge is to see which class has the greatest take up and improvement in children using the software regularly. If you are not sure of log in details, you can always check with the class teacher.
- The junior PCSOs have been busy again this week with PSCO Jayne, learning new skills and responsibilities.
- We hope that the warmer weather will be on its way soon. As the weather gets warmer children will probably take their jumpers off in school. Please remember to write your child's name (and class) in their jumpers, coats etc so if they can be returned quickly if they get lost.
