## News Headlines!

- Another exciting reading focussed event in school today – an author visit! Zanib Mian, the author of 'Planet Omar' came to school to talk to the children about the books she has written and why she became an author. The event was even more special for our Year 4 children who study 'Planet Omar' as one of their class texts.
- It's Father's Day on Sunday and with that in mind Mrs Roberts held a Father's Day coffee morning for all of our dads! It was a lovely opportunity for our dads to have a coffee and a chat or pick up a coffee and samosa on the way to work.
- Our Year 1 children have been amazing this week as they have been doing their phonics tests in school.
- Year 6 had Loudmouth Theatre in school completing some safeguarding workshops and our Year 3 children have enjoyed a Roman workshop!
- It's time for a rest over the weekend after a very busy week!
