Thought for the day – What will make you smile today?

## News Headlines!

*What a fantastic day Year 2 had on their trip to Barry Island! The sun was shining, spirits were high, and the beach was the perfect place for a summer adventure. As soon as they arrived, the children couldn't wait to kick off their shoes and head for the beach. They enjoyed paddling in the sea. The water was cool and refreshing, and there were lots of squeals and giggles as little waves splashed their toes.*

*Time for lunch—but the local seagulls had other ideas! With a few cheeky swoops, they tried to sneak a bite, but our quick-thinking pupils kept their sandwiches safe.*

*The children built some truly impressive sandcastles. Some even took turns burying each other in the sand—don't worry, everyone made it out again!*

*It was a day full of laughter, sunshine, and seaside memories. A big thank you to all the staff who made the trip possible. We're sure it's a day the children will remember for a long time to come!* 📧
