## News Headlines

- Wow – what a super busy week in school this week. Yesterday was world book day and we celebrated with a reading café for parents and children. The parental response and engagement was amazing, it was so lovely to see so many families enjoying sharing books and reading activities together!
- The school nurse team have been in this week delivering a range of talks and activities across the school from handwashing and teeth brushing in reception to healthy life choices in year 6. We have also had visits from DECCA this week delivering assemblies to all year groups about a range of topics to help children keep themselves safe.
- The MMR vaccination pop up clinic took place yesterday for children who's parents had given consent for the vaccination. If your child has not been fully vaccinated with the MMR vaccine, then there are still opportunities to attend pop up clinics in Sandwell.
- Parents of our Year 6 children will have received their secondary school offer letters/emails on the 1<sup>st</sup> March. Please ensure you follow the instructions carefully to accept your places.
