News Headlines

- The children in year 5 have enjoyed some exciting Science workshops this week linked to their science unit. Ask them about what they have found out this week!
- The Scholastic Book Fayre opened yesterday for parents and children to come and buy books after school. The book fayre will run until next Thursday, which is also world book day. You can spend your child's world book day tokens at the book fayre. Each token can be used once and entitles you to £1 off any book purchased from the fayre.
- Next week is world book day and it's also our relax and read day. So, instead of dressing as a book character we have decided to come to school in Pyjamas/relaxing clothes in order to relax & read!
- It is a very busy week in school next week with school nurse visits for most year groups and also visits from DECCA who will be delivering assemblies for most children about safety and medicines etc.
- The MMR vaccination clinic is coming to Cape next week. All children who may need an MMR vaccine have been contacted by Vaccination UK in the form of a letter given to parents on Tuesday. If you would like your child to have the MMR vaccine please ensure you complete your consent form and return to school.
