HEADLINE NEWS

News Headlines!

- We're excited to invite parents to get involved in school life by joining our new **Friends of Cape** group. This team of volunteers will work alongside staff to help plan and organise fun and meaningful events for our children and families. If you enjoy bringing people together and have a few hours to spare, we'd love to hear from you!
- We're also looking for a new **Parent Governor** to join our governing body. This is a great opportunity to help shape the future of our school. If you're interested, please contact the school office to arrange a call back from Miss Baker.
- A big thank you to all the parents who attended our Meet the **Parent welcome meetings** this week. We hope you enjoyed learning more about what your child will be studying this year and how you can support their learning at home.
- Finally, we're pleased to share that **Medi-Tracker** has gone live this week. This system helps us record and report accidents and medication. Please ensure we have your **correct email address** so you receive alerts—paper notifications will no longer be sent home.
- Our **stars of the week** this week have all been chosen for demonstrating the **strength of curiosity** in their learning!
