HEADLINE NEWS

News Headlines!

- *This week has been full of amazing experiences for our children! One of the highlights was a live assembly with the incredible explorer Robert Swan, who joined us all the way from Antarctica. The children were fascinated to learn that it was a chilly -22 degrees there and that Antarctica currently has 24-hour daylight! Seeing Robert speak live from such a remote and icy part of the world was truly inspiring and sparked lots of brilliant questions from our pupils.*
- *Our Reception and Nursery classes also enjoyed a wonderful Stay and Play session. It was lovely to see so many families joining in and sharing special moments with their children. These sessions are such a great way to build connections and celebrate the fantastic learning happening in our early years.*
- *Finally, a huge thank you to everyone who has donated items for our upcoming Christmas Fayre. Your generosity helps make this event magical for the children and supports our school community in so many ways. We can't wait to see you there!*
- *What a fantastic start to December—full of learning and laughter!*
- *Our **stars of the week** this week have all been chosen for showing the super strength of **persistence** this week.*
