Thought for the week – How can you show you care for someone this week?

HEADLINE NEWS

News Headlines!

- This week, our EYFS and Key Stage 1 children were treated to a very special visit from the Animal Man, who arrived with an exciting collection of creatures for the children to meet. There was a beautiful owl, a cuddly honeybear, a spider, a snake, and even a rather impressive looking frog.
- The children were absolutely captivated as they learned fascinating facts about each animal, from what they eat to how they behave in the wild. They also had the chance to ask lots of questions and even touch some of the animals—an experience that sparked plenty of wide-eyed wonder!
- Their reactions were priceless: the owl was quickly labelled "cute", while the honeybear earned the description "soft". The frog caused quite a stir, with one child announcing it was "big with black eyes". Interestingly, the spider turned out to be smaller than the frog, much to the children's surprise! The visit was a lovely blend of learning, excitement, and hands-on exploration, and it's safe to say the children thoroughly enjoyed every moment.
- Looking ahead, a reminder that next Tuesday we will be recognising Children's Mental Health Awareness Week. To mark this important event, children are invited to come to school wearing different colours of the rainbow. This colourful celebration will help us promote the message that all feelings matter and that it's important to look after our mental wellbeing.
- We look forward to seeing a bright, cheerful rainbow filling our school!
- Our **stars of the week** this week have all been chosen for being great **mathematicians** this week.
