Thought for the week – How can you show kindness this week?

HEADLINE NEWS

News Headlines!

- *What an exciting first week back it's been in school! We were delighted to welcome the CO₂ Crew and Safety Seymour to deliver some workshops around carbon monoxide. The workshops helped the children to understand the dangers of carbon monoxide in a fun, memorable way. From learning why CO is called the "silent killer" to spotting signs of danger in the home, the sessions were packed with important messages presented in a child-friendly style. We were especially thrilled that every child who took part was able to take home their very own carbon monoxide monitor—an amazing gift that will help keep families safe. We hope they're all installed and beeping happily!*
- *Meanwhile, Year 3 had their own adventure when an animal specialist visited as part of their rainforest topic. The hall was full of excitement (and a few nervous squeals!) as the children met a whole host of rainforest creatures. The stars of the show were without doubt the two snakes! The pupils were fascinated, asking brilliant questions and showing great bravery as they stroked, held, and observed the reptiles up close.*
- *It's been wonderful to see such enthusiasm for learning, and we're already looking forward to the next round of adventures!*
- *Next week is World Book Day when the children can come to school in their relaxed clothes, ready to sit back and enjoy lots of reading fun!*
- *Our **stars of the week** this week have all been chosen for being **optimistic** this week.*

Attendance

Our school target is **96.9%**. We must make sure children come to school every day and are on time. Our top attendance this week is...

EYFS – RB – 98.8%, well done!
 KS1 – 1A – 96.6%, well done!
 LKS2 – 3C – 100%, good work!
 UKS2 – 5A – 98.9%, good work!

These classes win a weekly trophy to spend or save.
 Well done!
 Whole school 96.8%

- 03-03-26 – Y1 local walk
- 05-03-26 – World book day, wear your comfy clothes and pop along to the pop-up bookshop from the book project
- 06-03-26 – Computing workshop

Helping at home this week!

Let's think about looking after our environment this week. What do you do at home to recycle?

Visit our website to find out more about us!

Please make sure we have the correct contact details for your child.
